

Climate Action Plan Community Workshop

Looking to join the conversation about the City's Climate Action Plan?

The City of South Pasadena is hosting a community engagement workshop to present and gain the community's input on the proposed greenhouse gas reduction strategies and actions that will be included in the Climate Action Plan. This will be an open house style event, where discussion of greenhouse gas emissions and reduction strategies is encouraged. Come anytime and stay as long as you'd like. Your participation is important to us!

WHEN:

March 26th, 2020
4:00 - 8:00 PM

WHERE:

City Hall Courtyard
1414 Mission Street
South Pasadena, CA 91030

Can't make it to the workshop?

Have your voice heard by submitting your comments online at:
www.southpasadenacap.rinconconsultants.com

Children are welcome and a coloring station will be available!
